- TEAMS Link for Auditions/Interview

Before Auditions:

- Rubrics and directions will be posted on our school website
- Parents may contact me with any questions
- Students must have at least 5 quality photos to present to the judges during interview session.
- Students can prepare each photo in a PPT Presentation, that they can share during the audition. This must be prepared before the interview day.
- Examples Provided

Audition Process:

- Students who are auditioning will log into the Photography Audition TEAMS link during their time slot to present their electronic portfolio and judges' interview.
- The presentation and interview should take no longer than 15-20 minutes.
- Judges will interview each participant in the order and record the evaluations on the rubrics. Other students will remain in the judge's Waiting Room till he/she is ready to allow them to enter. One student enters at a time in the Photography Audition TEAMS Link. Students will be added as presenters upon entering so they can share their screen.
- All scores can be recorded digitally on a spreadsheet.
- All rubrics will be collected after the review process to be stored at the school.
