## CREDIT RECOVERY INTERSESSION – REGISTRATION CONFIRMATION

Dear GRDMS Families,

Credit Recovery Intercession is a virtual instructional program designed to help students gain additional competencies and improve their course grades earned during semester one. If your child did not pass a course during semester one of this school year – **earning a grade below 70** – this is an opportunity for students to improve their grades and to stay on track for promotion.

The intercession is a two-hour virtual class available on three consecutive Saturdays. **Attendance at all three sessions AND completion of assigned work is required for successful credit recovery.** All online sessions will be facilitated by a certified teacher. 6<sup>th</sup> and 7<sup>th</sup> grade students have the option of recovering one core class (see options below). 8<sup>th</sup> grade students have the option of a second two-hour block to recover up to two core classes.

- Due to limited staffing, Credit Recovery Intercession classes will have fewer options. Therefore, students will be enrolled on a “first come, first serve” basis.
- If you wish for your child to participate, parents/guardians are required to complete the Credit Recovery Intercession registration found in the QR code below or the link below.  
<https://forms.office.com/r/XbHaW6UpjL>

Please complete the electronic registration form by **6pm on January 23, 2024.**
