

### **What is Sixth Grade Day Camp?**

It is a one day opportunity to actually practice being a middle schooler. You will have the chance to tour and learn about the school building, go through class changes with your future teammates, get a head start on making new friends, and working out the scariest details, like learning to open your locker.

### **What will I do at Sixth Grade Day Camp?**

You will meet teachers and staff while having fun learning about everyday student life at **Davis Middle School**. These are the people you will want to know on the first day of school if you need any help. You will get to eat lunch in the cafeteria:

**PIZZA!!**

You will have an opportunity to learn how to use your agenda, open a locker, learn about the media center, participate in fun activities, and get a head start on being a great middle school student. Essentially, you will need the rest of your summer to get over all of the fun that you will have!

### **What will I need at Sixth Grade Day Camp?**

All you need to bring are comfortable clothes, tennis shoes, school spirit, an open mind, and be ready to meet new people. Your ride will need to be at Davis Middle School at 9:00 AM to drop you off and return at 1:00 PM to pick you up.

### **Why should I go to the Sixth Grade Day Camp?**

You are going to get a head start on learning about things that tend to be challenging for middle schoolers, such as lockers, dressing out for P.E., classroom changes, meeting new people who might be on your team, academic procedures, cafeteria procedures, and the list goes on. Most importantly, you are going to have a great time, make new friends, and feel prepared for the beginning of school. Also, it will be more fun than watching reruns on television if you were to stay at home.
